CONTRACT PROSECUTION: Each Contract awarded by the Department stands on its own and, as such, is separate from other Contracts. A Contractor awarded multiple Contracts must be capable and sufficiently staffed to concurrently process any or all Contracts at the same time.

County: Jasper
Highway: SH 62

Prior to beginning operations, the Department will arrange a preconstruction conference between representatives of the Department and the Contractor. In this meeting, the representatives from all parties will discuss the Contract, proposed procedures and the plans for performing the work while providing for safe passage of traffic at all times. Specifications, unusual conditions, and other pertinent Items regarding the work will also be discussed.

ITEM 2: INSTRUCTIONS TO BIDDERS

View plans on-line or download from the web at:

http://www.txdot.gov/business/contractors_consultants/plans_online.htm

Order plans from any of the plans reproduction companies shown on the web at:

<http://www.txdot.gov/business/letting-bids/repro-companies.html>

Bid Items on this Contract are listed to establish a unit price for each Item. Certain Items listed in the proposal may not be used if it is determined that the work will not be required. Actual work performed as directed will be paid utilizing these prices with no further compensation made regardless of the final quantities.

ITEM 3: AWARD AND EXECUTION OF CONTRACT

Material requests will be issued by Work Order. Each Work Order will specify Items and quantities to be delivered as well as days to complete the Work Order.

ITEM 4: SCOPE OF WORK

The Contract may be extended twice if, in the judgment of the Engineer, the Contractor has satisfactorily fulfilled the terms and conditions of the Contract. The extension must be agreed upon in writing by both parties to the Contract and may be extended for an additional period of time not to exceed the original Contract time period. The extended Contract may be for additional quantities up to the original bid quantities plus and quantities added by an approved change order. The extensions will meet the terms and conditions of the original Contract or any mutually agreed modifications to the said terms and conditions by one or more cumulative change orders. The Engineer will set a deadline for completing the agreements. This deadline will be based on the time needed to re-let and award a new Contract if no extension is agreed upon.
