County: AUSTIN

GENERAL NOTES:

This is a contract for supplying material on an as needed basis.

Bid price should include furnishing material and delivery within the county or to designated location(s) specified.

Contractor questions on this project are to be addressed to the following individual(s):

Mark Netardus Mark.Netardus@txdot.gov
Mike Walsh Mike.Walsh@txdot.gov

Contractor questions will be accepted through email, phone, and in person by the above individuals.

All contractor questions will be reviewed by the Engineer. Once a response is developed, it will be posted to TxDOT's Public FTP at the following Address:

<https://ftp.dot.state.tx.us/pub/txdot-info/Pre-Letting Responses/>

All questions submitted that generate a response will be posted through this site. The site is organized by District, Project Type (Construction or Maintenance), Letting Date, CCSJ/Project Name.

The Maintenance Supervisor for Austin County is Kyle Novicke @ 979-887-8882.

The Maintenance Supervisor will make arrangements with the Contractor to have the material delivered.

The contractor is responsible for furnishing and delivering the hot-mix cold-laid asphalt concrete pavement to the Austin Maintenance Yard. The delivery hours will be Monday through Thursday 7:00 AM to 5:00 PM. The Maintenance Section will stockpile the material.

Furnish a certified copy of the legal gross weight of each vehicle hauling materials by weight and certified measurements for all trucks hauling material by volume.

Project Number: MMC 6381-97-001

County: AUSTIN

ITEM 4: SCOPE OF WORK

If agreed upon in writing by both parties to the contract, the contract may be extended for an additional period of time not to exceed the original contract time period. The extended contract may be for additional quantities up to the original bid quantities plus any quantities added by an approved change order. The extensions shall meet the terms and conditions of the original contract plus any approved terms and conditions made by previously approved change orders.

ITEM 8013: HOT-MIX COLD-LAID ASPHALT CONCRETE PAVEMENT (MATERIALS ONLY)

Deliver Hot Mix Cold Laid to the roadway in belly dumps unless otherwise directed by the Maintenance Supervisor.

There will usually be two rounds of material delivered each day. Schedule the trucking so that all the trucks ordered for each round of trucks arrive at the site around the same time. No truck will be dumped and allowed to leave the construction site until all the trucks ordered for that round have arrived on the site.
