GENERAL NOTES:

General:

This purpose of this contract is to supply “**Winter Weather Material**” at the locations specified in the plans in the Dallas District Maintenance Sections.

Provide and maintain a dedicated email address for receipt of work orders and correspondence throughout the term of this contract. Acknowledgement of emailed work order/callouts is required no more than 12 hr. from notification.

Contractor’s attention is called to the fact that all Department property will be protected during all phases of the execution of the contract and any damages incurred due to Contractor’s operation will be repaired and replaced at the Contractor’s expense.

Each contract awarded by the Department stands on its own as such, is separate from other contracts. A Contractor awarded multiple contracts, must be capable and sufficiently staffed to concurrently process any or all contracts at the same time.

Prior to beginning operations, the Department will arrange a preconstruction meeting between representatives of the Department and the Contractor. In this meeting, the representatives from all parties will discuss the Contract, proposed procedures, and plans for performing the work while providing safe passage for traffic at all times. Specifications, unusual conditions, and other pertinent items regarding the work will also be discussed. Limit the use of the roadway for the hauling of material to legal loads. Keep the traveled surfaces used in hauling operations free of dirt or other materials.

Coordinate work through:

Victor Songer, Dallas District Maintenance Administrator
4625 E. Highway 80
Mesquite, Texas 75150-6643
