Project Description: This is a contract for the purchase and delivery of Flexible Base, (Material Only), to TxDOT maintenance yards or locations located within the specified county in the San Angelo District. Request for material will be made through independent work orders. Bid price should reflect material and delivery cost to any location within the specified county.

ITEM 4: SCOPE OF WORK

This contract may be extended per special provision 004-004.

ITEM 8: PROSECUTION AND PROGRESS

Materials requested shall be issued by work order. Each work order shall specify items, quantity, and location for materials to be delivered.

A Pre-Work meeting will be scheduled by the District Maintenance office prior to any material being delivered.

Contract time charges shall begin on the date specified for delivery in each individual Work Order letter.

Once an order for material has been placed, the contractor will have thirty (30), calendar days, from the delivery date specified, to provide the material. If delivery has not been completed within the specified time frame, liquidated damages in accordance with special provision 000-658 will be assessed.

ITEM 9: MEASUREMENT AND PAYMENT

Various bid items and their associated quantities have been provided within this Contract in order to establish bid prices for the proposed work. Actual work performed as directed will be paid utilizing these prices with no further compensation made regardless of the final quantities.
