Plans may be obtained from one of the plan companies listed in the “Special Notice to Contractors”, or by using one of the following web browsers: Chrome, Edge, or Mozilla Firefox to access the Texas Department of Transportation’s (TxDOT’s) internet site at:

<https://www.txdot.gov/business/letting-bids/plans-online.html>

Contractor questions on this project are to be emailed to the following individual(s):

Jason Lambert, P.E. – District Maintenance Engineer
 Timothy Parker, P.E. – Bexar Metro Area Engineer

Jason.Lambert@txdot.gov
Timothy.Parker1@txdot.gov

Contractor questions will only be accepted through email to the above individuals.

All contractor questions will be reviewed by the Engineer. Once a response is developed, it will be posted to TxDOT’s Public FTP at the following address:

<https://ftp.txdot.gov/pub/txdot-info/Pre-Letting Responses>

All questions submitted that generate a response will be posted through this site. The site is organized by District, Project Type (Construction or Maintenance), Letting Date, and CCSJ/Project Name.

Each contract awarded by the Department stands on its own and as such, is separate from other contracts. A Contractor awarded multiple contracts must be capable and sufficiently staffed to concurrently process any or all contracts.

ITEM 8

Contract time charges shall be in accordance with Article 8.3.1.5 “Calendar Day”.

Contract time charges shall begin upon issuance of “Authorization to Begin Work” letter, and will continue for 120 calendar days.

All work on this contract will be issued by individual work order via email. Provide and maintain a dedicated email address for receipt of work orders and correspondence throughout the term of this contract.

Work order will include at a minimum the starting delivery date when individual work order charge days begin, number of working days allowed for the work order, the delivery location, bid item, and quantity of material to deliver.

Work order charge days shall be in accordance with 8.3.1.5 “Calendar Day” and shall run concurrently with contract time charges.

In accordance with Article 8.6 “Failure to Complete Work on Time,” liquidated damages shall be charged for failure to complete each work order within the specified number of days.

The amount assessed per day for liquidated damages will be 5% of the estimated cost of the work order, but not to be less than \$250 per day and not to exceed \$1,000 per day.

ITEM 9

In accordance with Article 9.1, “Measurement of Quantities,” furnish the tare and maximum gross weights as well as the volume capacity of all vehicles, trucks, truck-tractors, trailers, semi-trailers, or combination of such vehicles used to deliver materials for the contract. Also, furnish calculations supporting these weights and capacities.
