Item 3 – Award and Execution of Contract

Each contract awarded by the Department stands on its own and as such, is separate from other contracts. A contractor awarded multiple contracts, must be capable and sufficiently staffed to concurrently process any or all contracts at the same time.

Material requests shall be issued by Work Order. Each Work Order shall be scheduled by the assigned TxDOT representative and will specify items, quantities and location to be delivered.

From the time a Work Order is issued, Contractor has ten (10) working days to deliver materials. After this period, liquidated damages as explained in Item 8 of this Contract.

Prior to beginning operations, the Department will arrange a preconstruction conference between representatives of the Department and the Contractor to discuss execution of the Contract.

County: Washington, ETC.

Highway: SH 36, ETC.

Item 4 – Scope of Work

This contract allows for two (2) four-month extensions as allowed by Special Provision 004-004 provided both the Contractor and TxDOT agree.

Item 6 – Control of Materials

Use materials from pre-qualified producers. A list of material producers pre-qualified by the Construction Division (CST) of the Texas Department of Transportation (TxDOT) can be found at the following website: <https://www.txdot.gov/business/resources/producer-list.html>.

Item 8 - Prosecution and Progress

Contract time charges shall begin upon issuance of “Authorization to Begin Work” letter. This Contract is for one-hundred and twenty (120) days and shall be computed and charged in accordance with Article 8.3.1.5 “Calendar Day.”

Individual Work Order charge days shall run concurrently with Contract time charges.

The delivery hours will be Monday through Thursday from 7:00AM to 5:00PM.

Contractor’s driver shall report to the State’s representative at the time of arrival at the final delivery location and obtain a signature documenting the date and time on the haul ticket which will include the Work Order number.

Notify the Maintenance Supervisor when encountering any unforeseen delays.

In accordance with Article 8.6 “Failure to Complete Work on Time,” liquidated damages shall be charged for failure to complete each Work Order for the number of days specified in the Work Order.

Item 9 – Measurement and Payment

In accordance with Article 9.2 “Plans Quantity Measurement,” plans quantity measurement requirements are not applicable for this contract. Quantities shown in the plans are for bidding purposes only. TxDOT does not guarantee that all or only the quantities shown in plans will be requested for delivery may be requested (under-run / over-run). Contractor should expect to provide materials in the quantity and type requested in the Work Order (s). Material quantities less or more than those listed in the contract estimate (under-run / over-run) may be requested based upon TxDOT needs and requirements and shall be provided at the same cost per unit of measure as per the original bid price.

County: Washington, ETC.

Highway: SH 36, ETC.

The acceptance of this contract also does not guarantee that any materials may be purchased (zero-run) by TXDOT during the time period for which the contract is active.

Contractor is responsible for obtaining annual overweight tolerance permit if hauling material which exceeds the legal road weight.
