GENERAL NOTES:

General

The purpose of this contract is to supply LRA (material only) delivered on a callout basis to various roadways within the limits of the maintenance section(s) identified below. All work on this contract will be scheduled and directed by the following Maintenance Section Supervisor(s):

Site 3	Jerry Stevens	West Bexar Maint. Section	(210) 623-3400
Site 10	Gil Romo, Jr.	East Bexar Maint. Section	(210) 633-1434

Each contract awarded by the Department stands on its own as such, is separate from other contracts. A Contractor awarded multiple contracts, must be capable and sufficiently staffed to concurrently process any or all contracts at the same time.

Contractor questions on this project are to be emailed to the following individuals:

Jason Lambert, P.E. – District Maintenance Engineer Jason.Lambert@txdot.gov
 Timothy Parker, P.E. – Bexar Metro Area Engineer Timothy.Parker1@txdot.gov

All Contractor questions will be reviewed by the Engineer. Once a response is developed, it will be posted to TxDOT's Public FTP at the following address:

<https://ftp.dot.state.tx.us/pub/txdot-info/Pre-Letting Responses/>

All questions submitted that generate a response will be posted through this site. The site is organized by District, Project Type (Construction or Maintenance), Letting Date, CCSJ/Project Name.

Section 10.2 - Instructions to Bidders

This project includes plan sheets that are not part of the bid proposal. View or download plans at:

<https://www.dot.state.tx.us/business/plansonline/ftpinfo.htm>

Section 10.4 – Scope of Work

Quantities shown in the plans are for bidding purposes only. TxDOT does not guarantee that all quantities shown in the plans will be requested for delivery.

County: Bexar

Control: 6406-26-001

Highway: IH 10, etc.

Limit the use of the roadway for the hauling of material to legal loads. Keep the traveled surfaces used in hauling operations free of dirt or other materials.

In accordance with Article 10.4.3.1, this contract may be extended once not to exceed 730 calendar days for the entire contract term if mutually agreed.

Section 10.8 - Prosecution and Progress

There are 365 calendar days on this contract. Calendar days will be charged in accordance with Article 10.8.2., "Contract Term".

All work on this contract will be issued by individual work order via email. Provide and maintain a dedicated email address for receipt of work orders and correspondence throughout the term of this contract.

Each work order will specify a delivery site by the bid item in the contract and quantity to be supplied. The minimum amount of material to be ordered on an individual work order is 100 TONS

There are seven (7) calendar days allowed to complete each work order, and work orders for this material type will be sent with no later than a fifteen (15) business day lead time.

Section 10.9 – Measurement and Payment

Furnish the tare and gross weight of all vehicles used to deliver materials for the contract.

Item 8040 – Limestone Rock Asphalt (Materials Only)

The delivery of the material on this Contract will be non-site specific. Work orders may request delivery of materials to any state-maintained highway within the limits of the maintenance section(s) identified in the plans.

All deliveries / transports shall be made with end dump trucks.

Contact the receiving Maintenance Section Supervisor at least 24 hours prior to delivery.

In addition to the complete destination address, each delivery ticket must be clearly marked with the work order number, NIGP Code shown on work order, and a unit of measure conversion factor if required.

Project Number: 640626001

Sheet 2C

County: Bexar

Control: 6406-26-001

Highway: IH 10, etc.

The Contractor's driver shall report to the Maintenance Section Supervisor, or his representative, at the time of arrival at the final delivery location and obtain a signature documenting the date and time of delivery.
