Section 10.4 – Scope of Work:

Prior to beginning operations, the Department will arrange a coordination call between representatives of the Department and the Contractor. In this meeting, the representatives from all parties will discuss the Contract, proposed procedures, and plans for performing the work while providing safe passage for traffic at all times. Specifications, unusual conditions, and other pertinent items regarding the work will also be discussed. Limit the use of the roadway for the hauling of material to legal loads. Keep the traveled surfaces used in hauling operations free of dirt or other materials.

In accordance with Article 10.4.3.1, this contract may be extended twice not to exceed 360 calendar days for the entire contract term if mutually agreed.

Section 10.8 – Prosecution and Progress:

There are 120 calendar days on this contract. Calendar days will be charged in accordance with Article 10.8.2., "Contract Term".

Each work order will specify the quantity supplied. The minimum amount of material to be ordered on an individual work order is 12 Tons. There are 7 working days allowed to complete each work order.

Item 500 – Mobilization:

Mobilization does not apply to this Maintenance Materials Contract.

Item 8006 – Superpave Mixtures (Materials Only):

Design and produce the mixture with a gradation that passes below the reference zone as shown in Table 9 for SS3077.

Use aggregate that meets the Surface Aggregated Classification (SAC) B requirement or better.

Materials to be picked up within a 35 mile driving radius of the Collin County Maintenance office address as presented under "General".
