Project Description: This is a contract for the purchase and delivery of Emulsified Asphalt CHFRS-2P, CSS-1H, CMS-2P and CMS-2, (material only) to TxDOT maintenance yards located within the San Angelo District. Request for material will be made through independent work orders.

ITEM 4: SCOPE OF WORK

This contract is for 180 days and may be extended twice as per special provision 010-001.

ITEM 8: PROSECUTION AND PROGRESS

Materials requested shall be issued by work order. Each work order shall specify items, quantity, and location for materials to be delivered.

Contract time charges shall begin on the date specified for delivery in each individual Work Order letter.

Once an order for material has been placed, the contractor will have ten (10), calendar days, from the delivery date specified, to provide the material.

ITEM 9: MEASUREMENT AND PAYMENT

Various bid items and their associated quantities have been provided within this Contract in order to establish bid prices for the proposed work. Actual work performed as directed will be paid utilizing these prices with no further compensation made regardless of the final quantities.
