Non-compliance with this requirement will be grounds for suspension of work.

Section 10.2: Instructions to Bidders

This project includes plan sheets that are not part of the bid proposal. View plans on-line or download from the web at:

<https://www.txdot.gov/business/letting-bids/plans-online.html>.

Section 10.4: Scope of Work

Prior to beginning operations, the Department will arrange a coordination call between representatives of the Department and the Contractor. In this meeting, the representatives from all parties will discuss the Contract, proposed procedures, and plans for performing the work while providing safe passage for traffic at all times. Specifications, unusual conditions, and other pertinent items regarding the work will also be discussed. Limit the use of the roadway for the hauling of material to legal loads. Keep the traveled surfaces used in hauling operations free of dirt or other materials.

In accordance with Article 10.4.3.1, this contract may be extended once not to exceed 730 calendar days for the entire contract term if mutually agreed.

Section 10.8: Prosecution and Progress

There are 365 calendar days on this contract. Calendar days will be charged in accordance with Article 10.8.2., "Contract Term".

In accordance with Article 10.8.5 "Issuance of An Expedited Work Order", an Expedited Work Order (EWO) will only contain bid items identified as "expedited" in the Contract. An EWO completion time will be 24 hours.

In accordance with Article 10.8.6 "Late Delivery Damages", actual damages may be charged for late deliveries.

Individual Work Order charge days shall run concurrently with contract time charges.

Unless otherwise directed, prosecute the work continuously to completion of the contract.
