**Contract Prosecution:** Each contract awarded by the Department stands on its own and as such, is separate from other contracts. A Contractor awarded multiple contracts, must be capable and sufficiently staffed to concurrently process any or all contracts at the same time.

The work performed, equipment used, and materials furnished for a complete project will be paid for directly as indicated elsewhere in the plans and specifications. Payment for complete work will be made upon accepted of the work by the department.

### **Section 10.2 – Instructions to Bidders:**

This project includes plan sheets that are not part of the bid proposal. View or download plans at:

<https://www.dot.state.tx.us/business/plansonline/ftpinfo.htm>

### **Section 10.4 – Scope of Work:**

Prior to beginning operations, the Department will arrange a coordination call between representatives of the Department and the Contractor. In this meeting, the representatives from all parties will discuss the Contract, proposed procedures, and plans for performing the work while providing safe passage for traffic at all times. Specifications, unusual conditions, and other pertinent items regarding the work will also be discussed. Limit the use of the roadway for the hauling of material to legal loads. Keep the traveled surfaces used in hauling operations free of dirt or other materials.

In accordance with Article 10.4.3.1, this contract may be extended **twice** not to exceed **365 calendar** days for the entire contract term if mutually agreed.

### **Section 10.8 – Prosecution and Progress:**

There are **120** calendar days on this contract. Calendar days will be charged in accordance with Article 10.8.2., "Contract Term".

Each work order will specify a delivery site by the bid item in the contract and quantity to be supplied. Materials will be ordered as needed and will not require a minimum amount to fill the work order request.

TxDOT will not place orders for less than 500 TONS.
